The most
stylish and versatile
carriage house steel door on the market.

Make your home the
envy of the neighborhood.

The model 9700 garage door adds the final touch to the design of your home. It comes in a wide variety of styles, finishes and options to make your home stand out from the rest.

performance features

Insulation

Model 9700 comes with foamed-in-place polyurethane insulation with an R-value of 10*, which can improve the thermal efficiency of your garage space, block street noise and make the door operate more quietly.

Windsafe™

Model 9700 is available with hardware and reinforcements to comply with building codes in regions with high winds.

Detailed Construction

Three-section styling on 7' high doors gives a custom design look. Our 8' high doors have four-section styling. All panels have finished interiors and low-profile hinges.

Pinch-Resistant Door Panels

Designed with award-winning safety and technology features including pinch-resistant door panels.

TorqueMaster® Plus Counterbalance

The Wayne Dalton TorqueMaster® Plus is the first counterbalance system to seal springs safely within a steel tube. It contains an anti-drop feature that reduces the risk of door free fall.

*Wayne Dalton uses a calculated door section R-value for our insulated doors.

Model 9700 offers a Limited Lifetime Warranty on the steel skin. See full text of warranty for details.

*8' Newport panel,
Red Oak Stain Finish*
